

Sheet 5: Reading and Writing Decimals

Worked example:

Max the monkey has 4.23 kg of bananas, how can we write this as a decimal?

Answer: 4.23

- Write the decimal for 3 pounds and 45 pence

- What is the decimal for 2.97?

- Write 1.89 as a decimal

- Match the decimals with their word forms

2.45 1.90 3.12

- Pip has 2. __ pounds to spend on books

Self-check: Check your answers by reading each decimal out loud and making sure it matches the correct word form.

Ready for next: When you can read and write 2-place decimals correctly, you're ready to learn about multiplying decimals by 10 and 100.
